MAKE IT VISUAL

Use a single .ppt and add photos that visually represent... you! Make it your own voice and organize your images to showcase hobbies, pics of family, and friends. Pets are always welcome!

SPARK CURIOSITY

When making your collage, include things that tell a story and experiences that are unique to you in 2 minutes or less.

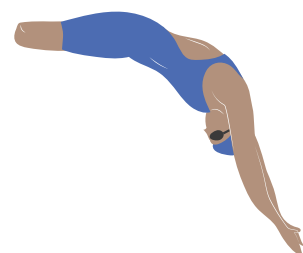

BE A LIFESAVER

Tell them what you learned in your journey supporting public health and be sure to include any tips for success.

DIVE IN

Get creative! The poolside is a place to bring your personality as we showcase the amazing people working behind the scenes everyday.
